## Itinerary

Khasab is not a big city, yet the main attraction of it is the journey to Musandam, the capital. During the tour we will pass by many local villages. On the way we can visit Khasab castle, where plenty of shops are available to shop for local handicrafts. These handicrafts are very common to the culture of Oman. At Tawi, the neighbouring, you can see prehistoric rock painting displaying animals. Without a visit to the village of Qada inside the deep bay, the city tour will not be complete. The fine locale with palm trees and mountains overshadowing it is an inspiring experience. The above trip will be by a car or bus depending upon the number of guests in the group.
